GUIDANCE NOTES FOR ENTERING CRUFTS

1. Before you may enter your dog at Crufts Dog Show you will need to ensure that your dog complies with the UK government's requirements for dogs entering the UK without passing through quarantine. Full details of these requirements are available on the Kennel Club web site at www.the-kennel-club.org.uk. Be sure to start the testing procedures at least seven (7) months prior to the show.
2. Your dog will also need an Authority to Compete (ATC) in the UK. This may be obtained from the Kennel Club and, once again, details are available on the Kennel Club website (address above).
3. On acceptance you will receive an ATC number for your dog and this must be quoted on all entry forms and in all correspondence.
4. Your dog's qualification for Crufts is valid for the 2018 and 2019 shows.
5. Full details of Crufts show — including entry details — are available via the KC web site or from the Kennel Club at 1-5 Clarges Street, London, W1J 8AB, UK.
6. No dogs with cropped ears are eligible to compete at any Kennel Club licensed event — including Crufts. Nor are dogs docked on or after April 6, 2007, eligible to compete.
7. Prior to exhibition, permission must be sought from the Kennel Club to exhibit any dog that has undergone an operation to alter its natural conformation.
8. Entries for Crufts are accepted subject to UK law and Kennel Club Rules and Regulations at the time of the Show.
9. Only dogs of breeds recognized by the Kennel Club and which have classes scheduled at Crufts are entitled to enter the Show. A full list of these breeds is available from the Kennel Club.
